

### Easy to Order

RENEWABLE Printer/toner Cartridges are easy to order and delivered fast.

### Save Money

Based on a recent competitive bid, VCE's RENEWABLE Printer/toner Cartridges saved 33% over the lowest OEM supplier's bid price.

### Change Lives

Your purchase buys more than a quality product. It also funds a Job Program that provides marketable job skills. All the revenue generated from the sale of these RENEWABLE Cartridges goes to support an Offender Job Program. The employment, skills training and experience offenders receive from the program helps to secure successful employment upon release. Employment is a major element in the successful re-entry into society. All provided at no additional tax dollars being spent. Additionally, wages earned by offenders help pay court fines, victims' restitution and child support.

"More than 300 million cartridges end up in landfills each year"  
- City of St. Louis, MI

"A cartridge in landfill will take over 1000 years to biodegrade"  
-New York University

### Save the Earth

Track the environmental impact of your cartridge recycling program with our environmental calculator.

### Convenient

Recycling is made easy. We will deliver and collect ink cartridges from your office.

### Top Quality

VCE uses new, OEM quality toner and we replenish the cartridge with exactly the same volume as the OEM Cartridge. We guarantee that our RENEWABLE Cartridges yield the same page count as an OEM cartridge.

"Cartridges are not biodegradable and when dumped in landfills can become corrosive"

- My Office Portal

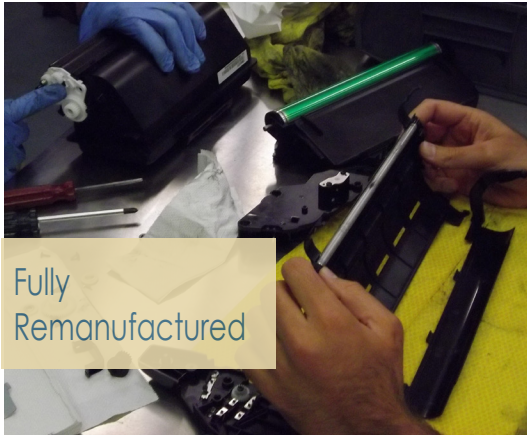

## Our Process

**RENEWABLE** Cartridges are...

- inspected for physical damage
- disassembled
- cleaned
- **FULLY** remanufactured using all new components
- uses new OEM quality toner

We guarantee that our **RENEWABLE** Cartridges yield the same page count as an OEM cartridge.

Our supervising staff has many years of engineering **EXPERIENCE** working for HP, Canon and Xerox.

## Our Quality Promise

If one of our Renewable Cartridges should fail we will replace it free of charge. **FREE OF CHARGE**

- If it fails and damages printing equipment, we will repair or replace the equipment.

- With our partners we can offer to have a technician on-site for same day service.

- We accept your determination that the cartridge is at fault. **NO PROOF NECESSARY**

Federal Law states the use of a non-OEM cartridge has **NO EFFECT** on the Printer warranty with the manufacturer. (Magnusson-Moss Warranty Act 1975)

HP states on their website: "The use of non-HP print cartridges **DOES NOT AFFECT** either the warranty or any maintenance contract purchased from Hewlett-Packard"
